Shareholders and CPF/SRS Investors who have pre-registered for the "live" audio-visual webcast or "live" audio-only stream but who have not received the Confirmation Email by 10.00 a.m. on 27 April 2023, should contact the Company's webcast vendor, Big Bang Design Pte Ltd via email at webcast@bigbangdesign.co.

(b) *Submission of questions in advance of the AGM*

Shareholders who have registered and have been authenticated as members of the Company will be able to ask questions relating to the resolutions to be tabled for approval at the AGM during the AGM by submitting text questions via the chatbox function to input their queries upon joining the webcast. The Company will endeavour to respond to such queries during the AGM as far as reasonably practicable.

Shareholders and investors may submit questions in advance of the AGM. All questions must be submitted no later than 3.00 p.m. on 19 April 2023 via the pre-registration website at <https://globalmeeting.bigbangdesign.co/biolidics2023/> or via email to the Company at main@zicoholdings.com.

Where substantially similar questions are received, the Company will consolidate such questions and consequently, not all questions may be individually addressed.

Any relevant and substantial questions received after 19 April 2023 shall be addressed during the AGM. The Company will publish the minutes of the AGM, including substantial and relevant queries from Shareholders addressed during the AGM, if any, on SGXNET and/or the Company's website within one (1) month after the date of AGM.

Investors (other than CPF/SRS Investors) will not be able to submit questions relating to the business of the AGM via the methods set out above. Instead, they should approach their relevant intermediaries as soon as possible in order for the relevant intermediaries to make necessary arrangements for them to submit questions in advance of the AGM.

“Live” voting will be conducted during the AGM. It is important for Shareholders and proxies to have their own web-browser enabled devices ready for voting during the AGM. Examples of web-browser enabled devices include mobile smartphones, laptops, tablets or desktop computers with internet capabilities.

Shareholders and proxies who have indicated their preference for “live” voting during pre-registration may cast their votes at the AGM by following the instructions provided in the Confirmation Email.

Shareholders and proxies should therefore have their Confirmation Email containing the instructions handy for reference. For the avoidance of doubt, “live” voting is not permissible by the audio-only feed.
